ARIZONA MUNICIPAL POWER USERS  
ASSOCIATION'S COMMENTS TO  
COMMISSIONER PIERCE'S JUNE 15,  
2010 LETTER AND PROPOSED  
AMENDMENT NO. 1

18 As directed by Commissioner Gary Pierce's letter to the Arizona Corporation  
19 Commission Docket Control dated June 15, 2010, Arizona Municipal Power Users  
20 Association ("AMPUA") submits its comments on Commissioner Pierce's Proposed  
21 Amendment No. 1 ("Pierce Amendment"). AMPUA opposes the Pierce Amendment and  
22 supports the Recommended Opinion and Order and supports the comments of the Salt River  
23 Project (SRP) for the reasons set forth below.

24 The Arizona Municipal Power Users Association consists of non profit entities  
25 engaged in the electric power business, some of which are non jurisdictional cities, towns, and  
special districts and others are cooperatives but all of which are concerned about the issues of  
protecting the public.

DOCKETED BY

1 AMPUA supports the analysis by SRP of the dangers to the public from actions  
2 in the electric market of entities which are unregulated and which, by contract, can harm the  
3 general public. In matters such as the one under consideration the slogan "let the buyer  
4 beware" is not a proper solution. While encouraging of the concepts of greater use of  
5 renewable resources, AMPUA encourages innovative regulatory solutions and generally  
6 supports the proposed order for the reasons set forth by SRP.

7  
8 RESPECTFULLY SUBMITTED this 29<sup>th</sup> day of June, 2009.
